

Examiner Interview Summary

The applicants would like to thank Examiner Johnson for the courtesies extended during the telephone interview of October 8, 2010. During the interview, the undersigned and Examiner Johnson discussed the grammatical error in the preambles of claims 20 and 26. Examiner Johnson agreed that correcting the grammatical error in both claims 20 and 26 would not change the scope of these claims and suggested filing this amendment to correct the same.

Remarks

The Examiner has issued a Notice of Allowance in this case. The applicants respectfully submit this amendment and request entry thereof pursuant to 37 CFR § 1.312. Specifically, by way of this amendment, the applicants have amended the preambles of claims 20 and 26 to replace the term “position” with “positions”. No new matter has been added. The applicants respectfully request that the amendments be entered into the present application before issuance thereof.

The Commissioner is hereby authorized to charge any deficiency in the amount enclosed (if any) or any additional fees which may be required during the pendency of this application to Deposit Account No. 50-2455.

Respectfully submitted,
